1. In response to reference, a study of the feasibility regarding the use of government-owned communications to support the FBIS INTERNET system will be conducted by [redacted]. Results of this study will be available in late September 1983. At that time, a comparison between the results of the [redacted] study and a study being conducted by FBIS for using commercial communications in support of the INTERNET system will determine the final implementation method. A Statement of Work for the [redacted] study effort (which will cost [redacted]) is attached (attachment A). [redacted]
